Install the telephone base and chargers

Install the telephone base as shown below.

Battery installation and charging

Install the battery as shown below. The battery may have enough charge for short calls. For optimal performance, charge the handset battery for at least 16 hours before use.

1. Insert the plug as indicated. Make sure it is plugged securely and matches the color-coded label inside the battery compartment.

3. Align the cover flat against the battery compartment, then slide it upwards until it clicks into place.

2. Place the battery with the label **THIS SIDE UP** facing up and the wires inside the battery compartment.

4. Charge the handset by placing it in the telephone base. The handset charge light on the handset will be on when charging.

Make, answer and end a call

Make a call

1. Press **TALK/FLASH** or **SPEAKER**.
2. Dial the number.

-OR-

1. Dial the number.
2. Press **TALK/FLASH** or **SPEAKER**.

Answer a call

- Press **TALK/FLASH**, **SPEAKER** or any of the dialing key (0-9, #, *).

End a call

- Press **OFF/CLEAR** or put the handset in the telephone base or charger.

Activate the answering system

The answering system must be turned on to answer and record messages. Press **ANS ON/OFF** to turn the answering system on or off. If the answering system is turned on, it will announce "Calls will be answered," and the **ANS ON/OFF** light will be on. If the answering system is turned off, it will announce "Calls will not be answered," and the **ANS ON/OFF** light will be off.

Outgoing announcement

The outgoing announcement is the greeting callers hear when calls are answered by the answering system.

The telephone is preset with a greeting that answers calls with "Hello, please leave a message after the tone." You can use this preset announcement, or replace it with your own.

To record your own announcement:

1. Press **ANNC** while in idle mode and the system will announce "Announcement. Press **PLAY** or press **RECORD**."
2. Press **RECORD** and the system announces, "Record after the tone. Press **STOP** when you are done."
3. After the tone, speak towards the microphone at the bottom front of the telephone base from about nine inches away.
4. Press **PLAY/STOP** when finished.
5. The answering system will automatically playback the newly recorded announcement. Press **PLAY/STOP** to stop the playback at anytime.
6. Press **PLAY/STOP** again to replay the recorded announcement. Press **RECORD** to record again (follow steps 2 through 4) if desired. Press **ANNC** to exit and return to the idle mode.
