

Introducing the newest addition to VTech's hospitality line:

The VTech Lite™ Phone

Designed to work within your budget

Cost-conscious hotels in need of a dependable guest room phone will appreciate the VTech CL-A1110 Lite Phone. Its classic design and one-line analog configuration make it an attractive fit for nearly any hotel room.

With a customizable faceplate and up to ten programmable guest service keys, hotels can highlight their brand and feature the most frequently dialed extensions. An ergonomic corded handset design makes communication more comfortable, while a textured finish prevents smudges and keeps the phones looking clean.

The Lite Phone is backed by VTech's more than thirty years of experience as the world's leading manufacturer of corded and cordless telephones. The result is a hotel phone that delivers reliable performance at a competitive price—tested to last and delivered on time. Big on reliability and easy on your budget—that's the VTech Lite Phone.
