Guest-tek's Partnership with VTech Complements the iACT Voice Solution

Calgary, Alberta, – June XX, 2014 – Guest-tek[™] has recently partnered with VTech Telecommunications Ltd., a leading manufacturer of telephones for the hospitality industry. Bringing two advanced technologies together, VTech's renowned Guest Room Telephones have now been inter-op certified on Guest-tek's OneView Voice iACT solution.

"Since its release last year the iACT solution has been steadily gaining popularity with hotels," says Brian Holst, Product Manager at Guest-tek. "With their industry leading SIP hotel phones, partnering with VTech will help carry this momentum even further."

The OneView Voice iACT Solution is a cloud-based voice system designed for the hospitality market with more than 150 high-end features and a lower price than many conventional PBX systems.

"We are excited Guest-tek has chosen VTech to complement their iACT Voice Solution," says Chad Collins, Senior Sales Director at VTech Telecommunications Ltd. "This is a win-win for both companies and good news for hotels."
